

WALKING 5 RANCH
SIMANGUSTM

ANNUAL BULL OFFERING
THURSDAY, JANUARY 15, 2026
LAVINA, MT

WALKING 5 RANCH

SIMANGUS™

Welcome to the 2026 edition of Walking 5 Ranch bull sale. To say 2025 has been a roller-coaster would be an understatement. Wild swings up and down would best sum up the cattle market, quality cattle will always hold their value.

Now more than ever it is important to build a cowherd that can survive the test of time, with costs continuing to increase it has never been more important to have cattle that will not only survive but thrive in harsh environments and circumstances. Our cowherd is ran just as most commercial producers, they do not get pampered and are expected to breed up in a 45 day window, no exceptions. Cows that don't hold up or won't produce simply go down the road. Our slogan is also our core belief, cattle must be "Maternal, Efficient, and Functional."

New this year we are going to have an open house and bull preview prior to the sale. January 3rd from 1 - 4 PM MST we will have the bulls on display and be more than happy to answer questions and possibly even look at some of the dams to this impressive offering.

We are still optimistic that the best time are ahead in the beef industry and look forward to seeing old and new friends and customers.

FRONTIER LIVE SALE

This Sale will be broadcast live on **www.frontierlivesale.com**. To view a sale,

1. Create an account, if you have already done so skip to next step. To create a new account, click on the word **Registration** in the upper right hand corner. You must fill out the information requested. Then click **Create Account**. An email will be sent to your email account you provided. Please click the link in the email to activate your new account.

2. Once you click the link, your account will now be activated

3. At this point, you may click **Continue To Browse Our Site**. This will allow you to view all upcoming auctions.

4. Once you see the auction you are interested in, click **Get Approved To Bid** for absentee and live bidding.

5. Please enter your information in the form. Depending on the auctioneer, different information may be requested. Click **I agree to sale terms and conditions**. Congratulations! You are now approved for the auction. Now that you're approved you can participate in the auction and bid on its items.

6. Login on sale day with the credentials provided at registration.

Call 866-313-0123 for tech help.

SALE FORMAT

The sale will be an online sale. At 2 pm on January 15th, the lots will start closing in order. Each lot will be given a minimum of 15 seconds and will continue until there is no competitive bidding. You can also place a proxy bid online, indicating the maximum you would pay for the bull. No person, including us, will know what that number is. When that lot comes up, if there is competitive bidding, the computer will bid for you up to that amount. Just know that nothing beats a proxy bid – your bid WILL be first!

TERMS

All cattle sell under the Suggested Terms and Conditions of the American Simmental Association.

EPDS

The EPDs listed are current as of 11/25/2025. Please note the EPDs may change from the time the catalog is printed until registration papers are transferred.

The bulls selling have geonomically enhanced epds.

SEMEN CHECK

All bulls sell guaranteed to pass a Breeding Soundness Evaluation, but it has not been performed yet. Bulls will be tested in mid March to get past the coldest weather and closer to breeding season for most people. If you buy a bull and need to have them checked sooner than that for an earlier pick-up, please let us know, and we will make accommodations.

SALE LOCATION

Online or at the Ranch
Walking 5 Ranch
1420 Custer Gulch Rd.
Lavina, MT 59046

DIRECTIONS

From MT HWY 3 head West on Granary Road for 3 miles, Turn left onto Custer Gulch Road, after 1 mile turn left into the yard.

RETAINED SEMEN INTEREST

Buyers receive 100% of salvage value and 100% semen revenue, unless otherwise noted. We reserve the right to 200 units of semen for our own use and collected at our expense and buyers convenience.

BREEDING GUARANTEE

All bulls selling are guaranteed for the first breeding season. Breeding season is defined by the first 90 days following turnout. A replacement of equal quality will be provided if available or credit equal to purchase price minus salvage value will be given. An inspection by a veterinarian will be necessary before credit is given.

WINTERING & DELIVERY

We will feed and develop the bulls free of charge until the first of May, at which time we will begin delivering. Until the buyer takes possession, Walking 5 Ranch assumes the risk of the bulls. If something should happen to a bull while under our care, buyer will receive a replacement or money back.

If you need your bull before May please let us know so we can make arrangements. Delivery will be free in the state of Montana and northern Wyoming.

VOLUME DISCOUNT

3 Bulls	3%
5 Bulls	5%
5+ Bulls	7%

Improved Buying Confidence with Greater Genomic ASSURANCE

Access to more and better information has always been key to making wise decisions. The evolution and improvement of genetic evaluation tools too has given us an ever-clearer picture of the true genetic makeup of cattle and thus a better view of the value proposition. RightMate, powered by Top Genomics LLC is taking the evaluation of genetics and genomics one giant step further. By combining specific genomic information with the long-proven value of EPDs, this new advancement in technology improves our depth and precision when evaluating the actual ability to transmit value and profit.

The 3 Accreditation Logos below are designed to simplify bull selection and improve buyer confidence by more accurately describing the genetics offered and by reducing risk. What this means to you as a customer is a much greater assurance that you are getting both what you want and need from the genetics you purchase. What it means to your seedstock provider is access to RightMate technology that simply sets them apart from the rest of the industry.

ACCREDITED GENOMIC PLUS – For the majority of producers who simply need consistent and balanced genetic improvement, without genomic setbacks, G+ Accredited bulls should be on your list for premium purchase. These sires will absolutely move you forward for both cost reduction and income producing traits and substantially reduce risk when compared to all other evaluation programs. It's simple, the right genes are in these bulls to help secure a profitable future and they have great EPDs to match!

ACCREDITED CALVING EASE – Simply find bulls with the ACE logo for third party Accredited, secure Calving Ease bulls. Though we have had tools in the past to assist in choosing heifer bulls, we've never had one nearly this effective. The reduced risk that comes with this genomic certification will simply make your decisions easier and your heifer calving season more successful. Purchase special purpose ACE bulls with confidence. They will deliver consistent and predictable calving ease.

ACCREDITED TERMINAL MATE – Just like an ATM machine makes it simpler to access your cash, the ATM Logo highlights bulls accredited to generate extra cash income as soon as your next calf crop! These bulls are meant specifically to use only on mature cows and for the purpose of adding performance, pay weight and end product value to market.

AMERICA'S COW

The Simmental cow can handle any environment.

She's built to last in heat, fescue or high altitudes. Thanks to the breed's built-in adaptability, you can match Simmental genetics to your environment – SimAngus™, SimAngus HT, Simbrah or proven Simmental genetics.

Meet America's all-purpose cow – gentle and consistent, with calves that give the heterosis boost commercial cattlemen need to stay profitable.

- It's hard to make them more attractive in a caving ease package

Lot 24 || W5R WALK ON 24N

Walk On was the high selling bull in our 2024 sale. As of writing this Walk On is the highest active parent Stay bull in the Simmental and Sim-Angus database. His daughters look exceptional. Expect his sons to make great cows that last.
